

PRESENTS

PRECISION IN PRACTICE GENOMICS TO THERAPEUTICS 2026

GUIDING CLINICAL DECISION THOROUGH MOLECULAR INSIGHTS

**29th – 30th
August 2026**

**TATA MEMORIAL
HOSPITAL, MUMBAI**

Organised by

Molecular Pathology Laboratory,
Department of Pathology,
Tata Memorial Hospital, Mumbai

Venue:

Rustom Choksi
Auditorium Complex,
Tata Memorial Hospital,
Mumbai, 400012

Register Now

WELCOME MESSAGE

Precision medicine is transforming the future of healthcare by integrating molecular diagnostics, genomics, and targeted therapeutics into clinical practice.

Precision in Practice: Genomics to Therapeutics 2026

Aims to bring together clinicians, Molecular pathologists, Researchers, Geneticists, and Healthcare Professionals to discuss the latest advances shaping precision oncology and translational medicine.

Through scientific discussions, expert lectures, and collaborative interactions, the conference will explore innovations that bridge molecular insights with real-world clinical decision making.

Join us in advancing the future of precision medicine through innovation, collaboration, and translational science.

WHO SHOULD ATTEND

Pathologists, Scientific Personnel, Technologists, Medical Oncologists, Practicing clinicians

ORGANIZING COMMITTEE

PATRONS

Dr. Sudeep Gupta
Director, Tata Memorial Centre

Dr. C S Pramesh
Director, Tata Memorial Hospital

ORGANISING CHAIRPERSON

Dr. Tanuja Shet
Professor & Head, Department of Pathology,
Tata Memorial Centre

ORGANISING SECRETARIES

Dr. Omsfree Shetty
Scientific Officer
Molecular Pathology
Tata Memorial Hospital

Ms. Prachi Gogte
Scientific Officer
Molecular Pathology
Tata Memorial Hospital

Dr. Nupur Kenkre
Consultant Pathologist
Department of Pathology
Tata Memorial Hospital

JOINT SECRETARIES

Ms. Pradnya Joshi
Scientific Officer
Molecular Pathology
Tata Memorial Hospital

Ms. Ramya Iyer
Scientific Officer
Molecular Pathology
Tata Memorial Hospital

REGISTRATION DETAILS!

- Registration for the conference will be online only
- Confirmation of registration and all future correspondence will be through email. The email id is **molpath.tmh@gmail.com**
- Registration will be confirmed upon receipt of the payment.
- Participants must arrange their own travel and stay.
- Due to venue restriction, limited seats only. Early registration is encouraged!
- Last Date for Registration is: **20th August 2026**

5 MINUTE SCIENTIST (Contest)

- Present your molecular innovation and ideas in just 5 minutes.
- We invite molecular pathology based abstracts
- Five outstanding abstracts will be selected to deliver short presentations showcasing the importance and impact of their research
- Details will be shared with the registered delegates via email.

REGISTRATION FEES

Fees for in-person Conference

Rs. 6,000.00

Fees For Delegates registered for
'NGS Made Simple' Webinar

Rs. 5,000.00

*The registration fee is non refundable**

Five Minute Scientist (Participation Guidelines)

Translating Science into Impact

Do you have exciting research, an innovative methodology, or a compelling scientific finding to share? The Five Minute Scientist competition provides a platform for students, researchers, clinicians, and laboratory professionals to present their work in a concise, engaging, and impactful format. Participants will have five minutes to communicate their research, highlighting its significance, innovation, and potential impact on patient care, diagnostics, or biomedical science.

Who Can Participate?

Undergraduate, Students, Postgraduate Students, PhD Scholars
Postdoctoral Researchers, Medical Residents, Clinicians, Scientists and Laboratory Professionals

Presentation Format

Maximum presentation time: 5 minutes

Maximum of 5 slides

Presentations should be understandable to a broad scientific audience

Focus on the key message and impact of the work

Suggested Themes

Precision Oncology,
Molecular Diagnostics,
Genomic Profiling,
Translational-Therapeutics,
Bioinformatics & AI in Healthcare,
Cancer Genomics,
Biomarker Discovery,
Quality Assurance in Molecular Diagnostics

Submission Guidelines

- Submit an abstract not exceeding 300 words.
- Include: Title, Authors and Affiliations, Background, Methods, Results, Conclusion
- Abstracts should be submitted in PDF format.
- Previously presented work may be submitted with appropriate disclosure.
- Selected participants will be invited for the final presentation round.

Abstracts selected for the e-Poster presentation will be displayed on the Digital screen at the conference venue

Important Dates

Last Date for Abstract Submission:

05/08/2026

Intimation Date for selected Abstracts:

10/08/2026

Interested candidates can share
the abstracts via email at

molpath.tmh@gmail.com

SCIENTIFIC SESSIONS

(Conference Highlights)

DAY 1: Emerging Technologies & Translational Advances

Session 1: Liquid Biopsy & MRD Testing

Session 2: Molecular Tumor Board – Liquid Biopsy in Clinical Practice

Session 3: Inside the Tumor Ecosystem

Session 4: Young Molecular Scientist- Abstract Presentations

DAY 2 : Precision Diagnostics & Clinical Decision-Making

Session 1: Molecular Signatures Guiding Disease Management

Session 2: Breakthrough Abstracts & Publications

Session 3: Molecular Tumor Board – Optimizing Molecular Testing Algorithms in Solid Tumors

Session 4: Integrating Artificial Intelligence in Molecular Diagnostics

Detailed scientific program, faculty lineup, and speaker information will be announced shortly.
